First instances of academic misconduct: alleged plagiarism:

5.1 In the event that plagiarism is determined to have occurred, the student will be required to redo and resubmit the work for grading, after which a 10% penalty will be applied, except where such a penalty would cause the assignment to fail; in which case the assignment will be marked on a pass/fail basis with 50% as the highest possible grade.

Second instances of academic misconduct: alleged collusion[4]:

6.6 In the event that collusion is determined to have occurred, whether major or minor, an attempt will be made to ascertain whether the collusion was collaborative in nature (ie. all students worked together on the assignment), or whether one student primarily wrote the assignment, and another student or students primarily drew from that
